

### **DRAWING AMENDMENTS**

Delete FIGs. 14, 15, and 16 that were submitted on 15 June 2005 as these were inadvertently included.

**REMARKS**

This patent application originally was submitted with FIGs. 1-13, which are the only figures that should be included in the published patent.

Applicant also has a continuation-in-part application pending that includes FIGs. 14, 15, and 16.

When Applicant submitted the Formal Figures for this patent application, Applicant inadvertently submitted FIGs. 14, 15, and 16 as well as FIGs. 1-13. FIGs. 14, 15, and 16 do not belong in this patent application, but only in the continuation-in-part patent application. Therefore, FIGs. 14, 15, and 16 are unnecessary in this patent application and should be deleted.

**CONCLUSION**

If there are any final questions prior to the printing of the patent, please contact the attorney of record.

Respectfully submitted
